WALPOLES' ROYAL TRISH LINER. A Pure Linen Towel

at the price of a Cotton one

> Walpoles' have just received from the factory a lot of fine pure Linen Diaper Towels with hemstitched ends. They are so beautifully soft and silky that they are ideal for Ladies' and Children's use. And Walpoles are offering them at the price of cotton ones.

The reason for this

extraordinary reduction isthe thread with which the towels are hemstitched is not good in quality and is inclined to break in the laundry, which is not apparent until washed once or twice. This can however, be easily remedied by having the old sewing carefully whippedover, which will make the towels as strong

The size is 22 x 38 inches and the Reduced Price is

6 for 13/11. A hint to Ladies-Whether Household Linens are to be red Prices or at ordin ry prices, ladies should bought ar recured rrices or at ordin ry prices, ladies should buy NOW, and buy whatever they think they may require. Because none are being made now, and civilians can only rely upon stocks already made. Walpoles' hold certain stocks made before the recent advances, and willibe pleased to send lowest estimates, free.
